COMPLETING PAGE ONE OF THE HEALTH BENEFITS ENROLLMENT FORM

ENROLLING IN A HEALTH & PRESCRIPTION PLAN

There are two areas labeled "Health Insurance Plans" on page 1, of the *Health Benefits Enrollment form*.

The first section is for employees who choose to participate in Plan Type 13 (employees who wish to participate in a Health Care Plan during their first 90 days of hire *prior to being eligible for State Share*) – meaning, they will be responsible for paying the entire amount of the health care premium.

You will need to make a selection in each section for Plan Type 13 indicating:

1. Your Benefit Effective Date (you must choose one). (1) Effective your Date of Hire (premiums are not pro-rated); (2) Effective the 1st Day of Month 1, following your date of hire; (3) Effective the 1st Day of Month 2, following your date of hire; or, (4) Effective the 1st Day of Month 3, following your date of hire.
2. Your choice of one of the health plan options: Highmark Delaware First State Basic PPO Plan, Aetna CDH Gold Plan, Aetna HMO Plan or Highmark Delaware Comprehensive PPO Plan along with the corresponding plan tier (Employee, Employee/Spouse, Employee/Child, or Family),
3. Or, if you chose not to participate in a Health Care plan at this time, you must select "Waive".

The second section is for employees who choose to participate in Plan Type 10 (for employees who wish to participate in a Health Care Plan effective the first of the month after 90 days of employment, and are eligible for State Share) – meaning, the state will then begin paying for a portion of their health care premium.

You will need to make a selection in each section indicating:

2. Along with the corresponding plan tier (Employee, Employee/Spouse, Employee/Child, or Family plan).
3. Or, if you chose not to participate in a Health Care plan at this time, you must select "Waive".

If you chose the Aetna HMO Plan, you must also indicate on page 2 of the Health Benefits Enrollment Form, the physician identification number which can be found by clicking on the Provider Directory hyperlinks. 2. Your choice of one of the dental plan options: Delta Dental PPO Plus Premier Plan or Dominion National HMO Select Dental Plan.
3. Then, you will need to choose which plan tier you are enrolling in, i.e., Employee, Employee & Spouse, Employee and Children or Family coverage.

COMPLETING PAGE TWO OF THE HEALTH BENEFITS ENROLLMENT FORM

Let's now take a look at page two of the Health Benefits Enrollment Form. If you chose to participate in a Health or Dental plan, you will now need to complete this section of the enrollment form by providing all the required personal information for yourself and each eligible dependent you will be covering, i.e., their name, date of birth, social security number, their Primary Care Physician's Identification Number – (only if enrolling in a health care HMO), gender, and Primary Care Dentist/Provider ID (only if enrolling in a dental HMO). Physician and Dentist identification numbers can be found by accessing the vendor's Provider Directories on the Benefits Tab of the Home page. In addition, for employees (in a Civil Union only) enrolling a spouse or dependent, you must also choose the appropriate Tax Coverage Code from the drop down box, as well as indicate each dependent's Tax Qualifying Dependent Status.

If enrolling a dependent(s) you MUST submit a copy of a birth certificate or another acceptable form of legal documentation for each dependent. In addition, you must also submit an original, signed, social security card for yourself and each of your dependents as well.

A *Dependent Coordination of Benefits form* must also be completed and sent to the appropriate carrier for each enrolled dependent child regardless of age upon:

- Enrollment in other health coverage;
- Anytime other health coverage changes, or
- Upon request by the Statewide Benefits Office, Highmark Delaware or Aetna.

Please complete the applicable form and send it directly to your health care provider at the address provided on the bottom of the form. The form can be found on the Benefits Tab of the NEO Home page.

If enrolling a spouse: You must supply a copy of your Marriage Certificate/Certificate of Civil Union to your agency's HR/Ben Rep and complete the *on-line Spousal Coordination of Benefits form*. You must also indicate if your spouse is a State of Delaware benefit-eligible pensioner or employee and if so, which agency they work for. This will help your agency's HR/Ben Rep determine whether which of you will be responsible for carrying the benefits.

Coverage will become effective on the date of hire or on the first day of any month up to the first of the month when eligible for State Share, provided the employee submits a signed application within 30 days of the first of the month when coverage becomes effective. This information must be submitted by the required deadline to your agency's HR/Ben Rep.

Otherwise, depending on eligibility requirements, you may have to wait until the next annual open enrollment period to enroll, (usually held in May each year with a July 1 coverage effective date).
